#### NOTICE TO THE PUBLIC.

We desire to caution the public against the misrepresentations being made by the so-called cooks and waiters union in regard to the number of hours our employees work.

The facts are that the cooks and waiters and all other help employed by us in our restaurant for the past three months work only eight hours a day's work and we challenge evidence to contradict these facts. Following is the scale of wages we pay: Cooks, \$4.00 per day, 8 hours. Waiters, \$2.00 per day, 8 hours. Dishwashers, \$2.25 per day, 8 hours. Time and one-half for overtime. The above wages include board.

#### BOWLERS ACTIVE.

The bowling fans are on the job in dead earnest at the "Y" alleys; the full quota of the ten-team tournament league is under way at a terrific speed, and in the start every one of the captains claim they will be high score at the close of the tourney, five weeks hence, and thus be afforded the great privilege of playing in the Bisbee-Douglas match. Some are already prophesying that the ladies' team will in all probability be the winner, and that would be pretty tough on the men—so they think.

#### NOTICE

Dr. Sara Higdon of Globe has opened an office in Mrs. Muirhead's Castle Rock rooms, on Main Street, Bisbee, giving High Frequency and Violet Ray treatments. Also Dr. Higdon makes a specialty of nervous diseases. John T. Saunders, assistant.

#### BOYS BAND REORGANIZES.

The Bisbee Boy's Band will meet tonight for its first practice this season. The band disbanded during the summer on the inability of most of the members to attend practice. The organization will be under the direction of a new leader in the person of David Truscott. All old members are requested to meet tonight with their instruments at 7:30 at the Y. M. C. A. band room. Any boy who has an instrument and desires to join is also invited to attend.

#### OLD TIMERS WED.

Mrs. Rose Harris and James Finney neighbors for years and two of the oldest residents in Bisbee, surprised their friends yesterday by going to Tombstone and returning as Mr. and Mrs. Finney. The couple's intentions were entirely unknown to their many local friends and a host of congratulations will be theirs when they return to Bisbee from a trip.

#### HOME FROM VACATION.

Mrs. B. W. Norton and small daughter, Ruth, have returned from a three months visit to relatives and friends in Calumet, Mich., and in Chicago. Fire Chief Norton rises to remark that his daughter is fast getting into the Miss class, so large and tall has she grown since leaving Bisbee in the summer. The Nortons are again at their home in Tombstone Canyon.
